

CE Announcement

Title – ***Better Pharmacy Practice***

Date and Time of CE Activity – **April 1st, 2023**

Location, including city and state – **Knoxville, TN**

Overview – Some practicing pharmacists are interested in learning more about law, ethics, professionalism, professional boundaries, and their relationship to real-world behaviors categorized as professional misconduct. This need may arise after an allegation of professional misconduct, or some other inappropriate action has occurred, which results in the need for additional, focused education. The Alden March Bioethics Institute at Albany Medical College, in cooperation with the University of Tennessee College of Pharmacy, is pleased to offer this Web-based, 25-hour credit pharmacy continuing education series, designed especially for distance learning to meet and exceed any required State Board of Pharmacy course covering pharmacy law, ethics, professionalism, boundaries, and remediation topics..

Overall Activity Goal - The objective of this knowledge-based activity is to educate pharmacists on Pharmacy Law, Ethics, and Professionalism.

Target Audience – This activity is primarily intended for pharmacists from all practice settings. No prerequisites required.

Learning Objectives – The University of Tennessee College of Pharmacy takes responsibility for the content, quality, and scientific integrity of this CPE activity.

Following completion of this activity, the participant (pharmacist) should be able to:

Pharmacists:

1. Demonstrate knowledge of prevailing standards of professionalism arising from professional organizations, codes of conduct, pertinent selected statute and regulations and pharmacy ethics.
2. Identify some of the major failures of pharmacists to act as professionals or good practitioners toward patients, colleagues staff, and to fulfill obligations in the community.
3. Exercise sound reasoning skills and judgement in reaching viable solutions to cases of potential violations of pharmacy professionalism.
4. Engage in reflective writing about any professional infraction.
5. Participate openly and respectfully in discussions with peers and mentors about professional infractions.

6. Give and receive feedback thoughtfully and constructively when interacting with mentors and peers.
7. If advisable, formulate a precise, personal plan for renewed commitment to professional values, norms and service, pharmacy standards and ethics and professionalism.

Continuing Education Information – The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this knowledge-based activity will provide a statement for 25 contact hours of credit (2.5 CEU) and will be available within 30 days of activity completion. Successfully completing the activity and receiving credit includes: 1) reading the learning objectives and faculty disclosures; 2) participating in the educational activity; 3) evaluating the activity via utcop.learningexpressce.com within 14 days of the scheduled activity date. UAN: 0064-9999-23-043-L03-P & 0064-9999-23-044-H03-P. CE credit will be submitted to the NABP CPE monitor within 30 days. *It is recommended that you check your NABP CPE Monitor e-profile database 30 days after the completion of any CE activity to ensure that your credits are posted.*

NABP e-PROFILE ID NUMBER: Pharmacists with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website: <https://nabp.pharmacy/cpe-monitor-service/cpe-monitor-faqs/>. To receive credit for your participation in this activity, all pharmacists must include their **CORRECT** NABP e-Profile ID number, along with their month and date of birth. If incorrect information is provided, this will result in “rejected” status from the CPE Monitor. *It is the responsibility of the participant to notify The University of Tennessee (within the 60-day submission timeframe) of their corrected information. Otherwise, the completed CE will not be accepted by the CPE Monitor.*

Type of Activity: Knowledge

Fee Information: There is no fee for this educational activity.

Full Disclosure Policy Affecting CPE Activities – As an accredited provider by the Accreditation Council for Pharmacy Education (ACPE), it is the policy of The University of Tennessee College of Pharmacy to require the disclosure of the existence of any significant financial interest or any other relationship a faculty member or a sponsor has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. The Course Director and Participating Faculty reported the following:

Participating Faculty: Dr. Steve Zahn

Relevant financial disclosures: None

How to earn credit – Participants must complete the activity as described above in the Credit Designation Statement. In accordance with ACPE Criteria for Quality, the audience is advised that authors in this CPE activity may include reference(s) to unlabeled, unapproved, or investigational uses of therapeutic agents or biomedical devices. The presenters will inform the learner when they discuss or reference an unapproved, unlabeled, or investigational use of a therapeutic agent or biomedical device.

Disclaimer Statement – The opinions and recommendations expressed by faculty and other experts whose input is included in this activity are their own. This activity is produced for educational purposes only. Use of The University of Tennessee College of Pharmacy name implies review of educational format, design, and approach. Please review the complete prescribing information of specific drugs or combinations of drugs, including indications, contraindications, warnings, and adverse effects, before administering pharmacologic therapy to patients.

Grievance Policy – A participant, provider, faculty member, or other individual wanting to file a grievance with respect to any aspect of an activity provided or co-provided by The University of Tennessee College of Pharmacy may contact the Director of Continuing Professional Development at jwheele4@uthsc.edu. The grievance will be reviewed, and a response will be returned within 45 days of receiving the written statement. If not satisfied, an appeal to the Dean of the College of Pharmacy can be made for a second level review.

Activity – The following is an educational activity designed to help you gauge your basic knowledge of the topic and then direct you to areas you may need to focus on. It consists of an introduction, activity, and self-assessment via cases.
